**PROFESSIONAL SERVICES OF FUNERAL DIRECTOR AND STAFF** **\$2,125.00**

This charge includes our initial request for service, arrangement conference with family or responsible party, preparation and filing of necessary certificates, securing permits, sheltering of remains, placement of obituary notices, planning of funeral arrangements and coordination of service with other third parties. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance, utility expenses, secretarial and administrative costs, equipment and inventory expenses. (This fee is already included in our charges for direct cremations, immediate burials, forwarding or receiving remains.)

**EMBALMING** **\$995.00**

Embalming is a chemical process which provides temporary preservation of the remains and eliminates certain health hazards. A person licensed by this state must complete this procedure. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
