I met Mr. Iliff while giving him breathing treatments while he was in the hospital. I enjoyed getting to know him and later down the road, I ended up meeting his 2 daughters, one who lives a block from my own mother, and the other who has a step-son that played pony league with my son. My thoughts and prayers are with all of you at this difficult time. God Bless each of you.##imported-begin##Barbara M. Dams##imported-end##
