Ben and I took the night shift to take care of Bonnie and Ronnie when their mom and dad brought them home from the hospital--so mom and dad could get a little rest. I spent several nights with Bonnie these past couple of weeks; so I guess you might say I stayed all night with Bonnie at her beginning, and her end. I'm so sorry she went through this difficult year with her cancer, but very thankful she had such a loving family who was with her to the end. She loved each of you so very much. May God bless you for being such a blessing to Bonnie. My love and prayers are with each of you--Ronnie, Courtney, Kristina, Jacii, Cody, and Haley.

My prayer go out to both of Bonnie's daughters, Courtney & Kristina and her Lovley Granddaughter, Jacii who I know she just adored and brought her such great joy! I worked at Aventis with Bonnie for many years and was proud to call her my friend. We had some good times together on our " girls night out" !! Rest in Peace, till we meet in Heaven. Prayer for her entire family.
