I worked with Cyndi at Riverside first in Medical Records starting in the early 1970's & then in & around Riverside until I retired in 2014. In the early years we were single & had a lot of fun hanging out with a group of 6 or 7 girls in the same age group. Then we all got married & had children & life moved on in separate directions. I think Cyndi and I were the only ones that stayed with Riverside all our working life. Cyndi was always so sweet even though she experienced a lot of hardship in her life. My condolences to her family & hopefully she has found peace in heaven.

I remember the family gatherings at Grandma Jewel's house when we all played softball and roasted Marshmallows at the farm. Some fun times we all had as a family. I appreciated Cyndi coming to dad's service in Florida. Cross over safely and see you up there. Tell Steve and Dad I said hello. Cyndi always reached out to check on everybody. Very kind of her. Sorry for the loss in the family everyone.Hang in there. God Bless.
