“ *Oh, the memories!! I may not have seen Evelyn in over 20 years (maybe 30) but that does not tarnish the great times we had whether playing games in the kitchen, eating out fireside in the campground, or plain just getting into some kind of trouble. I vacationed many times with the family during their many outings with the Bosman family in the 70's. Those were the good ole days! My sympathies to the family on what truly is one of the hardest times in ones' life. I lost my mother 4 weeks ago and still hoping it gets easier someday.*

“ We only met Evelyn a little over a year ago on a trip to Canada. At that time we just got together and everything clicked between the four of us and it made that the most memorable vacation. It was great sharing things for the first time with a new and wonderful set of friends like Jim and Evelyn. We will miss her but the 2 weeks we spent with them, getting stranded in Canada, getting a flight home, having a pizza party in the hotel lobby, will be some of our most treasured moments. It has been great having the friendship of some very special people and will continue to share our friendship with Jim and their daughters.
