“ Love all of the Furbees. Wish we had had more time together, more Tuesday night suppers, more Sundays in our pew, more bonfires, more coffee dates, more Dutch Apple Pie, molasses cookies and cinnamon apple sauce! It is wonderful to KNOW beyond a shadow of a doubt she is with her parents, many friends and her savior. She just went a little early to get ready for the rest of us. “ Mrs Furbee was such a gem!! I will never forget her hosting my bridal shower in her home and making several different kinds of pies to serve the girls. Seeing her smile and greet me when i went to pick up my mail on campus was a highlight!! She was a special lady.

“ She was a saintly woman who shared her love and grace and dignity with everyone she met. She welcomed me into the Huffman family with kindness and family stories and photos, and lots of family recipes. Her rhubarb/strawberry pie was something to behold...and to taste! I learned from her example how to face life's challenges with quiet dignity, love and stoic courage. She was kind and gentle but she did not back down! She was one of a kind and I shall miss her!

“ Donna worked for Phil in the Olivet Post Office. Your family made a great contribution to our family. Andy was a great friend and classmate of our son Todd. Phil has great memories of Donna's brother, Morris, playing his ukulele in Chapman Hall when they were freshman. The whole Furbee family were real "down home" friends. We enjoyed getting together with them many times. Romane Chase, who also worked with Phil in the Bookstore, says she remembers Donna often visiting her and bringing her homemade cookies. That was Donna. Always thinking of others!! Donna will be greatly missed.

“ Dear Jack and Family, I have a heart full of thoughtful memory pictures of Donna (and Jack) stretching from the ONU Bookstore to recent McD conversations over coffee. Each carries delightful thoughts of a lovely lady. May the LORD of us all bless and keep you. Sustaining you, her precious family. Love and prayers! fdg
