“ Jai and Scot,

My heart goes out to you as another Deagan brother has gone on to his heavenly home. I pray you have peace in the days ahead, I will never forget Lindsey, his smile and his laugh, and always being so kind.

Raven and Madison,

I grew up next door to your dad and all his siblings. Your Uncle Lance was my bestie but your dad was always like an older brother. I pray you have peace and comfort in the days ahead. I will be praying for you.

Love,

“ Scott and Jai,

I'm so saddened to hear of your brother's passing.

Lindsey was a great friend growing up—through church, and then into junior high and high school years, and a few years beyond (summer life guarding at the K3 pool).

After moving from K3, I saw him just once in the past 40 years, but connected a few times via FB in the past 5 years, most recently when your sister passed away.

Will keep you both, your families, and Lindsey's daughters Raven and Madison in prayer in the days ahead. May the Lord surround you with the love and care of family and friends and amply supply His peace to you all as you remember your brother.

Warm regards,

Tom Schneider
