“ Your mom, grandma, great grandma was so "special" in my life. I will never forget her, Barney and all of you. OMG, I was such a pest and they always accepted me as part of the family. Thank you for sharing her with me. LV, Suzanne

“ Sweet, sweet Loretta. I always enjoyed visiting with her at Miller Center. She was so sweet and always cared about the residents making sure they were ok if she sensed something was wrong. I will miss you, Loretta. Rest in peace. Sending your family hugs and prayers.

“ I have so many wonderful memories growing up with this kind, gentle-hearted lady! One of my favorite was the time David, I, and our kids stopped to see Aunt Laretta & Uncle Barney in Florida on our way to Disney. It was evening when we arrived and they insisted we spend the night. Aunt Laretta made quite a "classy" impression on our children. Not only did she show them her "sexy red bathroom" where they would be privileged to wash up, but she fed them toast with jelly on fine china, and orange

juice in a crystal goblet in the morning! They learned why I loved her so much. She had a way of making everyone feel special!

May she rest peacefully in the arms of Our Lord. I hope she is having a wonderful family reunion in heaven and that she can tell my mom and dad hello from below. I pray we meet again when my task on this earth is through.

Love You Always,

Suzie Q
