“ Our deepest sympathies to Kathy and all the Stawick family. Kathy and Myron were the best neighbors to us for 18 years and their house and yard was always perfect! I know Myron has the nicest looking yard in heaven! RIP Myron and love and comfort to you Kathy and your daughters and families. The Pigato's—Joe, Monica and Sofia

“ My condolences to the Stawick family, and he the one above gained another kindred soul. I can remember the day I meet him and thru out the years of working with him even picking up extra shifts just Like today to maybe see him and say hello , I was the one that was blessed with his friendship. He was there as boss and mentor but most importantly as a friend especially when u needed one , he saw me happy , sad , talkative and quiet and he would give the best advice at times , I will truly miss him dearly .

“ Sending hugs and kisses to Aunt Kathy and my dear cousins Marci, Mindy and Missy. Words cannot not express how much I will miss Uncle Myron. I am comforted with knowing that Myron has passed to our heavenly father and is at peace with grandma and grandpa along with his brothers, sister, nieces and nephews. You are lucky to have such a close family. Take care of each other and know we all grieve in different ways and timelines. I am in New Hampshire and won't be home til next Thursday. Thinking of you and love you lots

“ Myron's family is in our thoughts and prayers. We have known Myron for many years through his workplace. Having a handicapped son, he was always willing to do whatever he could to help us have what we needed for our son. Knowing that he was helping us gave us comfort that we had the right person on the job. We will never forget him!

“ My deepest sympathy to Kathy and the girls and their family I always remember him at the sports event he was at for one daughter or another. He was their biggest fan. It was fun. The Good Lord will give you all the strength you need at this difficult time.

“ Myron was the best ...what can I say. I was one of the fortunate employees to have been able to work with him at Econo Drugs for almost 19 years . He was always kind and considerate to his employees. He would give us a job to do and then after the

request, we would always get a "thank you". He always had extra time to advise and pass on a little humor to the customers . They became his friends too. He was my employer for all those years but I considered him a friend as well. He will be missed by all who knew him.

My sincere sympathy to Kathy, Marci, Mindy, Missy and extended family.

“ I was blessed to know Myron in working together at CVS. He was such a kind, caring, and happy man. He always offered great advice and support. It is rare to find someone as kind and genuine as he was. He lit up when he spoke of his wife and three daughters, he was such a proud husband, father and grandfather. It was an honor to be just a small part in his life.. My sincere sympathy to all of you at this very difficult time. Forever in our hearts ❤️
