“ Norm was a great brother. Our get togethers at their house and for their children’s weddings are fun memories not to be forgot. Thoughts of us growing up together also come to mind. Such as when he was so proud of his Mercedes that he brought back to our Columbia St. house from when he was stationed in our army in Germany. All 3 of us brothers and our brother-in-law Ken all working together at our father’s Light House Electric store are also wonderful memories. My love and prayers pour out to Barb and her family. “ Memories of hot summer days and large, fun family gatherings flash to mind as I think of all of you during this time. I can also vividly remember my great visits with you, Aunt Barb, & Uncle Norm, as I passed through on my way to and from the University of Illinois. I can literally hear Uncle Norm’s warm voice, and his energetic hello welcoming me every time I stopped by. Those were special times that make me smile. I am so sorry for your loss, all of you, and the very difficult time of suffering he went through with this virus. Please know you are in my thoughts and prayers. Bruce and I, along with our kids, are praying you through this. I’m clinging to the hope we have in Jesus through my tears.

Love you,
Lori Nixon

“ Mike and I will miss his great smile and sense of humor and our many get togethers. I have so many fond memories of growing up with him- too many to mention but love every one of them. He will be greatly missed and we know he is at peace now. We celebrate his life and are grateful that he was in ours. May God bless you and give you comfort, Barbara along with your wonderful family. We send our love and prayers to all of you, Mike and Marian

“ Norman was a great brother and friend to both me and Bev along with his wife Barb and all his such devoted children who were all there for him in his hour of passing ..He certainly was a dad to love and to be proud of. We will certainly miss him and hope yet to see him in what life will come...

“ It has been quite a while since I had seen Uncle Norm. One of my favorite memories of him is of us cruising up and down the river with him on his boat and talking about catfish - something we never saw out west. He was genuine and kind - and very enthusiastic about sharing his enjoyment of the river with us. I also have enjoyed hearing my mom talk about growing up with Norm. He was a great brother and friend to her. As Christians, we know that this parting isn't forever, but it hurts... May you find comfort in our Hope, Jesus Christ, and in knowing that Norm is more alive now than he's ever been. He is in the loving embrace of our Heavenly Father.

Grace and peace be yours,

“ We can't believe that we were lucky enough to see Norm and have a great visit with him for the last time just 2 weeks before he became sick. The afternoon was filled with great memories and proud dad talk of his fine family, and he even was able to Zoom with our family. I remember like it was yesterday as he helped us ready our little house in Marywood for occupation. Norm and I got down on our hands and knees and scrubbed that hardwood floor until it shined! He may be gone from our sight, but his memory will live on forever! God bless you, Barb, and your wonderful family!

“ I love Uncle Norm. I remember many good times with him, Aunt Barb and all the cousins at there house when we were kids. I was lucky to be able to see him recently during our weekly zoom meeting a couple of weeks ago with my Mom and Dad. I feel for all of you and send thoughts and prayers that God will give you peace during this time.
