“ I am saddened and shocked to learn about Rick's passing. I worked with Gloria for many years. I was friends with her and Rick for over 30 years. My husband and I would vacation in Puerto Vallarta during the same time that he and Gloria were there. I last talked to Rick near the end of March, 2020. I tried calling him in late June to see how he was, especially since it was the anniversary of Gloria's death. With the covid pandemic, each day is like Groundhog's Day. I realized that I hadn't talked to him for awhile. Tonight I tried calling again--and learned that he had died. I cannot wrap my head around this news.

He was a good, patient and kind man. He will be missed--and, like Gloria, never forgotten.

With much love--and fond memories.

“ You'll always be Gloria 's cat man to me. I never knew 2 people who cared more about cats than me, than you .

“ This news hurts my heart.
I have cleaned for you for 2 years. We became to be buddies. I learned so much from your intelligence . I always enjoyed coming and chatting with you while cleaning. To say I will miss you is an understatement.
Much love Rick! Gloria needed you!
Rest in peace dear friend.
Chris the cleaning lady.
