“ We met Bob & Jenni when playing tennis at the racquet club in Kankakee and always enjoyed their company. Bob always seemed to have a smile on his face, and why not? He raised a lovely family of other kind, friendly folks with keen senses of humor! I heard about his illness only recently and was saddened to hear about his passing when I finally read Wednesday's paper today. My hugs go out to all of the family and I'm sorry I wasn't there to provide them yesterday! May your wonderful memories help sustain you. Peace

“ In 1980, Bob Worth became a mentor to me and a friend. He took a young college Horticulture student under his wing and kindly taught me many lifetime skills. Later, he allowed our young company to come to Kankakee Nursery and assist in digging product for him. He was always a father figure to me and his thoughtfulness has remained engraved on my heart for all my life. I am so grateful to him for taking the time to help me. I will miss him.

“ My deepest condolences to the Worth family. I've known Mr. Worth since the 60's. He was a successful business man for many years in our area. His family was the most important part of his life. I was blessed to have been a friend of his children for many years. They are his biggest legacy. His generosity was endless. I remember going to many, many U of I football & basketball games, numerous Cub's games. He will be missed by many people. God bless you sir...

“ A fond memory I shared with Bob was the day we drove to Streator, IL, my hometown, and did some ancestry research at the local cemeteries. He had relatives buried there and wanted to find their headstones, etc. I had contacted the Historical Society there, and told them what he information Bob was seeking, and they were prepared with old directories to share, as well as a map of the cemetery. We had a fun day searching the "archives" of the museum, and then going on the scavenger hunt for gravesites. We had lots of laughter along the way, thanks to Bob's great sense of humor!

I also remember some of the great costumes he came up with for Halloween parties, and his wonderful ability to "stay in character" and fool everyone most of the evening!

He was a wonderful example of how to live life with much humor!

Prayers are in my heart for his wonderful family.

“ Our deepest sympathy on your loss. Bob was a wonderful person! Loved his laugh and smile. Loved his sense of humor and his compassion. We looked forward to the visits when my folks were here from AZ. We got together in many different places. Dad and Bob loved to share stories over a couple of alcoholic beverages! His memory is now a treasure!

Love and hugs and prayers in your time of sorrow.
