“ Ruth was a beautiful person and I am so lucky to have joined her family. She always showed so much kindness and love to those around her. Not many people can dance a polka in their 80's, but I will never forget how she impressed us all at my wedding!

“ My Mom welcomed Sue and I to stay with her on the many occasions that we returned to Illinois. People would ask, why is there no hotels near by or what? I and speaking for all of my family always found it more of a pleasure to sleep contorted on couch's and chairs in her breezeway because nobody we've ever had the occasion to spend time with could make you feel so at home. It's never easy living so far from family. Finding just a few attributes or qualities of my Mothers has to be the most impossible undertaking. She was a true gem to all that came to know her. I would never even consider staying anywhere else if the offer to stay at home with Mom was offered. I'll miss my Illinois home in Manteno. A Home is built on the love that surrounded us not walls or boundaries but the warmth of a kindred soul my Mother!

“ My Mom was an exceptional mother and friend. She was there for me as well as all of our friends and neighbors. Her talents were many: Cooking, gardening, sewing, golfing, dancing with our father, the list goes on. Most of all she was loving. I will miss her every day and cherish the memories. - Kimberly Anne

“ Most of all, mom wanted us to love her and in that she succeeded. My fondest memory is of her getting a hole-in-one and rushing as fast as she could to the green after I told her it went in the hole. I love you mom!
