“ *I am sorry for the loss to all of Aarons family and friends. I had the pleasure of working with Aaron and it wasn't long before we became friends. He was a good friend who would be there for you and make sure to lighten the mood with great humor. He was a good man and a good friend. He will be deeply missed.*

“ So sorry for the entire Meyer family for their loss. Although I have not seen Aaron and/or his family in a very long time, I feel that I have known him forever - Marie and I shared a hospital room when Aaron and my son Brett were born. I remember going to their home for lunch bringing Brett's grandma Eloise and Aaron's grandma Corinne being there. We would take turns having lunch at each other's homes for quite some time. Then as things happen, we lost contact with each other. I have a few photos for Aaron and Brett when there were little. How the years just fly by. Again, so sorry for your loss, may he rest in peace.

“ Aaron was a well loved and cared for man. He was my Partner. I loved him very much. And I know he loved me. He was such a sweet man and did everything he could to make everone around him happy and in a good mood. And always quick with a joke to lighten the mood. I miss him and love him. I know his addiction got the best of him. But he is no longer in any pain, and looking down from above at me and wanting me and his family to stay strong. He is in a better place and I will miss him dearly. And I will always love him, my heart will forever be his. I love you aaron. Rest in peace.
