“ I would like to express my condolences to the family of Adrien. I worked down the road from him at Ted's Truck Service when he owned the truck plaza. Adrien was a very nice man to talk to and always had a smile. I remember the last time I saw him was unfortunately at the wake of a former employee of his and despite him not recognizing me at first he still had that smile. Adrien will be missed. Rest in peace my friend will keep the trucks rolling on.

I can still hear the sound of Adrien's laughter and see the sweet smile of Colette when they would come in the restaurant. It was always a pleasure to see them around town in the later years.
