“ Dear Pam, Ed, Steve, Cindy and family,

I am so sorry! I just got the Herscher Pilot! I am so shocked and saddened. Your Mother was such a grand lady and I always enjoyed talking with her. A year ago this past 1 1/2 labor day we were watching the performances at the park together and she was so tired. she had her car parked at the police building and said Oh Sue, honey can you go get my car. I just can't walk that far. I remember going and not moving the seat because i hate re-positioning it myself, you can never get it just right. Anyway, i teased her and said i couldn't hardly fit between the seat and the wheel but i got it to her. She just smiled and said Oh heaven, you should have just moved it! we walked together until she was in and settled. I made sure she was able to drive and off she went. Beautiful as always.

 She was always so good to me and Gosh i'll miss her! I hope and pray your all doing well and please know in my heart i love you all. You have my sincerest sympathy.

“ Ed, Steve, Sue and Rhonda,

 We are so sorry for your loss. As it was with our Dad, we all know that they are going to a better place and rest assured knowing it is better for them that way. You are all in our prayers.

“ Rhonda,

 I am so sorry to hear about your mom's passing. I have alot of great memories of your mom and dad hanging out at Club Irwin. I am always sad when someone from Irwin passes. It was great to have your family around growing up.
