“ Alan was a truly kindhearted soul and a proud member of the National Association of Black Veterans. He generously put his skills as a carpenter to work, including building a beautiful, large wooden frame to display photos of our members, along with many other meaningful contributions to the organization. Alan was a godly man who consistently lifted others up in prayer and was always willing to lend a helping hand whenever it was needed. His dedication, humility, and compassion touched many lives. He will be deeply missed and forever remembered.

“ I will never forget Alan's kindness to me! In the 90's, one early morning in the pitch black darkness my car stopped on my way to work headed west on Route 17 by the golf course. Well, I got out and started walking and eventually to my surprise a car stopped and when I opened the door it was Alan Roundtree! I have forever been grateful for his kindness and generosity for not only picking me up but taking me to my job at Gould Battery in west Kankakee.

My sincere condolences to the Roundtree Family, Phyllis Tatum and Family
