“ *I first met Al in 1959 at Bradley high school. We didn't have any classes together, but we did play on the basketball team together. We had a lot of fun as team mates, and we even played basketball all summer long that year. We became good friends for life. There are too many good memories to even begin to list, but let's just say that I am really going to miss him. So long, old friend. Alvus Hartley Class of 1960 at BBCHS!*
