“ *It seems only yesterday that I as a young first year teacher, moved my wife and two young children to Wichert to begin my career in education. ¶½During that period I met many wonderful people and I was blessed to meet and become close friends with Albert, Joyce and their children. ¶½Many times we went to "Freddies" to eat before returning home to play cards, socialize or ¶½discuss our children's latest folly. I fondly remember Albert and Joyce stopping to visit my family numerous times after I moved back home to continue my career and Barry still continuing that practice. I was saddened to learn of Albert's passing and along with my entire family, I wish to express my deepest sympathy to the Theesfeld family. While Albert may be missing in his presence, the memories of his big smile, gruff voice and teddy bear heart will never be forgotten by the many he has touched. ¶½My thoughts and prayers are with the family during this difficult period. ¶½###imported-begin###Ron Van Horn###imported-end###*
