“ Our love and prayers are with the Grueneberg Family. I remember Bertie well when she worked at our school, E. Feickert Elementary. She and Barbara were the best working with students with special needs. Bertie dressed fabulously and loved, loved her family and working with the students. I cherish my memories of her wonderful grandsons, Mike and Dan, her son Keith, and of course Barbara. She graced this earth while she was here and now the Lord has prepared a room for her. She was so cared for and loved by Elmer. The cutest couple in town. Thankful to have known her and her family. Thank you for sharing such a wonderful lady with us all. Prayers of compassion and love. “ My sincere sympathy to Elmer and all of the family. I worked with Elmer for 25 years at Armour and had many happy occasions with him and Bertie. She could fill the room with her laugh and make everyone smile no matter what the occasion was. She would bake Christmas cookies for me and send them with all her love!! She will be missed.

“ *Dear Elmer & Family:*

I am sorry to hear about my dear friend's passing. Berdie was a great friend to my entire family. She worked with my father "Carl Muhlstadt" and when I started work as a naive 18 year old, she took me under her wing. She was so beautiful, both inside and out, I was in awe! I have known her since I was a child, she often helped my Father and all of us kids. I can remember her laugh when we were at the A.O. Smith picnics. It was infectious. We visited a lot at your house in Aroma Park and every time I pass it, I remember her great spirit. I will make sure I visit her often as my husband's family is in the same mausoleum and keep you and your family in my prayers.

I will always treasure knowing the most beautiful and gracious Berdie. She will always be one of God's most beautiful Angel.

“ I will always remember how beautiful my Aunt Bert was. I use to stay weekends with her when I was a little girl and remember watching her get ready for the day, and always thinking how pretty she looked. She had a laugh that was one of a kind and it made you join in the fun. I will cherish those memories forever. I'm sure you are celebrating in heaven with Brandon and the rest of the family who have gone before us. Rest in Peace Aunt Bert. I Love you!

“ Bert was my aunt and godmother. I will always remember her laugh. Once she started it seemed everone in the room would be laughing with her. You couldn't stop.

“ Bert was my aunt. I remember her throaty laugh that could fill a room. She was funny and dangerous at the same time. She had a hair-trigger temper and could make you feel like an idiot if you deserved it. God bless, you, Bert. I hope we meet again.
