“ *Our Condolences to your family. I can't find the words to express the sorrow I feel for you all. Although it's only been a short time that I've had the EXTREME pleasure of knowing Aldine(And Francis), it was also an Honor. They were also one of my favorite couples. Through them I've had the pleasure of meeting their daughter Donna. I've seen the love this family gives each other and the care that goes with that. Donna gave her parents the love, care, and respect they so richly deserved on a daily basis. Aldine and Francis are again reunited, and may they both Rest in Peace. Our world here will never be the same without them, but they did show us what true love is all about.*

*Respectfully,
Rita and Danny Sanchez*
