“ I was sorry to hear the news of Alex' passing. I had a friend who worked for Alex at Mortell's and he always told me Alex was the best boss he ever had. Alex was a great guy and a lot of fun. Always had a smile.

“ Alex was a wonderful person and was always willing to talk with you at any given time. He was my little league baseball coach for the Lions. Later on in life when I was ahead of my precinct ,he became a judge for me at the polls. Our families had some wonderful times together when my father was still alive. May you rest in peace as we will all miss you Alex!!!!

“ Al was a good friend and golf buddy! My wife and I always looked forward to the weekends we could go out and eat with Al. He always had a great story to tell and was entertaining. And what an infectious smile he had.

Al's zest for life was enormous and was no more apparent than his last few years on earth. He could always find the bright side regardless of what he was going through.

Al you will be missed here enormously. But I am sure that you are now in a better and peaceful place. And if I know you, you already have a golf club in your hand. Hit a long one for me.
