“ Dear Uncle Reed, Darwin and Linda, I am sorry to hear about Aunt Alice's death. I knew it was coming but still it doesn't make it any easier. Please accept my condolences. I wish I could have gotten away to attend the services but I couldn't. I really liked the notes in her obituary about being a good cook. I always remember her delicious fruit salad. I know she always preserved food like Mom does and everyone must miss those good treats.

I will keep you and your families in my prayers. Love, Pat.##imported-begin##Pat O'Connor##imported-end##
