“ "This must be a difficult time for her family" "I'm sure your heart is aching." "My heart goes out to you and your family during this time." "I know that words are inadequate at a time like this, but I wanted you to know how very sorry I am for your loss!" my beautiful friend gone too soon is a tragedy. But what would have been worse is never to have met her she was an angel. I am grateful to have been Alina's friend in life and will continue to be her friend in death, honoring her in all I do. Oh buddy.. "you are healthy, you are strong, you are peaceful! " Until we meet again, " I love and miss you"
