“ Dan and I loved coming back for that last Klimson Reunion you had, Margie!! It was sooo good to see our loving and devoted family.....I miss those days when we could all get together, life sometimes gets in the way! I can imagine the reunion Uncle Al is having with all those Klimson's up there.....would be nice to be a little mouse and listen in.....someday we will all be reunited again and what a celebration that will be! Until then, peace and comfort to you and all his wonderful family. We send our sympathies and love! Dan and Nora (Joe and Dottie's oldest daughter), Omaha
