“ Laina,

I am so very sorry to hear of Allen's passing. I know it is very difficult for you.

Allen was such a loving and caring man and his help with my BakeryBuddy.com has helped me to realize how important it is to be in control of the things I created. I am in control of it totally now, and Allen was my inspiration to do so. He was a great man, who cared for others, and I'm sure his love for you will be felt way beyond his passing.

Know if I were there, you'd get a hug, and if there is anything, ANYTHING I can EVER do for you, please let me know.

This pain will pass, leave it the hands of God to help with your healing...

Love you ... God Bless you and yours.
