“ Mom, it's the Holidays now, the first since your passing over 7 long months ago, this past spring... You are missed so very much. ĩ¿½Though you were trapped in your blindness, deafness, and the later years of end-stage Alzheimers, we knew you loved Dad and we kids so very, very much!!! ĩ¿½You will always be dear in our hearts.##imported-begin##Joyce (Beaver) Hosier##imported-end##
