“ I did not get to spend as much time with Grandpa as I would have liked, but living so far away makes it hard to see family often enough. But I always had comfort just knowing he was there. My siblings didn't get to know him like I did, but if they did, they would have known he was a kind and gentle man who loved all of his family greatly. Family meant everything to him. He was a great man and I am going to miss him greatly.
