“ Amy and I worked together at MERCY, Fort Smith and became good friends. Just knowing she for these last years, it seemed like we now know each other for many years. She was a wonderful friend and a super coder! She loved her family and friends and we talked about our children and our grands and how blessed we were. Amy had the best sense of humor and loved to travel and share her adventures. I feel so fortunate to have had such a great friend in Amy, I miss her so much!! She is on the biggest adventure of all! Love you my friend! Melinda Mizell

“ Amy was our sister-in-law and I will never forget the times we visited each other. One particular time was when Casey was two and they came to California and we all went to Disneyland. We always had such a good time together. We especially remember her sweet smile. She will be greatly missed by all whose lives she touched.

“ I met Amy when she came to Fort Smith, Arkansas, in preparation for working at Mercy. I only saw her on that one visit, but after several e-mails and texts, I realized what a gift she was. Although we didn't work on the same type of charts, I know she was a great asset to our Mercy coding team, and is greatly missed.

“ I worked with Amy in the I.S. Department at Riverside. She was always such a caring individual. Even after we both left that department we have stayed in contact with each other. I will truly miss her. Thoughts and prayers to all her family.

“ Amy is my ex-husband's cousin and I also worked with her many years ago at Riverside Medical Center. She was a sweet, smart, funny, lovely lady. I'm so glad several of us cousins got together for breakfast a couple months ago at Family House. It was the last time I saw Amy. She will be missed. Her daughter and son and all of her family are in my thoughts and prayers at this very difficult time. Love to all.....Dianna Moisant
