“ *I think I relayed a story of Andy's (Mr. Ervin!) to some friends just the other day and we had a great laugh over it. He was hilarious, an intrepid learner even while instructing others, and one of the best teachers I've ver head. He was so present to me in my high school years at Judah while we were losing my mom to cancer. Deepest condolences to Sarah and the girls; may you feel the presence of the Holy Spirit with you every hour of the days ahead. -Kayla Parker (Hubbard)*

“ Mr. Ervin was a wonderful teacher/mentor to my son Eric White. Mr. Ervin not only walked beside him, but help lead Eric to his true calling as a Youth Pastor. Eric remembers how Mr. Ervin was the student aide in his classroom his senior year at Monclova Christian School 2009/2010. As a parent, I want say thank you again for being my sons teacher.

“ Andy was indeed a special individual. He touched the hearts of many. I was fortunate enough to work with Andy as his Principal at South Newton High School. I was on vacation out west when I hired him. Such a neat person, full of love for the teaching profession and for his students. Administrators always wonder after they hire someone how they will turn out. After Andy's first day, I did not have to wonder. He touched the hearts of staff, students and especially myself. We had many good conversations beyond the teaching profession. He was down to earth and a heartfelt individual, soft spoken, and knew the direction he wanted to take his school kids. I am deeply saddened by his passing. My prayers are with his wife and two kids. All who knew him were blessed to be around him.

“ Andy was my history teacher at Judah Christian. He always made the history lectures memorable with his many jokes and humorous wit. He made learning fun and taught us the value of history while making his students smile. He was a kind soul that brought joy to our school.

“ Even tho I had Mr. Ervin for a 1 semester and a couple days. I can definitely say he was one of my favorite teachers by far. He was always so thoughtful and so funny. Never a negative comment came out of his mouth. He made learning super fun. I liked having him so much I changed my schedule to have him again this semester. It's heart breaking to know that i won't have him the rest of the year. We need more people like him in this work. You will be dearly missed. You were so loved.

“ Andrew Ervin was my US history teacher in 2022/2023. He was my most favorite teacher I ever had and I would talk to him almost everyday in the hallways and after school. He would always show me pictures of his daughters and tell me about them. He would go out of his way to say something to me or make a joke in the hallway. I considered him a friend of mine even though I was only a student. He was always looking for a good talk with people and it was enjoyable each time. We need more people and teachers like Andrew Ervin. He showed respect everyday and was never rude to anyone. My friends and I would talk about him all the time because we appreciated him as a person.

Andy was my youngest of cousins.
I babysat for him and his brother when they were little, we used to call him wheezer due to his asthma. He was a sweet and funny man with a heart of gold. He loves his family and is so proud of his twin girls! He was a great Dad! He will be desperately missed by our entire family. Rest in peace ! may God guide you to all those we have loved and lost before you!!

“ Andy has been such a model of loving kindness at KV high school and his presence will be sadly missed. Nothing but a kind word ever passed his lips here and his gratitude for life and love for his family and his God were ever-present. We are so terribly sad to lose him and send prayers to his family.

“ A nephew to be so proud of. An honorable man who lived a biblical life loved his wife Sarah and so devoted to her. His daughters took a priority space in the hours god gave him on this earth. Andy loved his profession and was avid about keeping americas history alive and interesting to his students. Andy was a loving son though miles separated him from his parents he called them all the time. He was the younger brother of rob who always kept tabs on his younger brother. This earth has lost a godly man and Sarah and grace and elyce a devoted father. I am his aunt
