“ Having been away since only a couple of days after Andy’s passing, I only learned of it yesterday. Therefore, belatedly, I wish to extend my sincerest condolences to his family and, particularly, to his wife, Kathy. Andy was one of the finest men I have ever known and that goes back to more than forty years. He exuded class, respect, loyalty, humor and kindness.

“ I was on the Kankakee County Zoning Board of Appeals with Andy for about 14 years. He always came prepared and ready with his questions. He was a good friend to me. I'm going to miss seeing him and chatting when I would see him. God Bless You Andy. He called You Home because He needs you there now. See You soon.

“ I remember when I was very young and going to the Kankakee pool almost every day. I couldn't swim so I would stand by the side and go down to the bottom push back up. One time I pushed back up and I came up in the middle of the pool and started wailing about. And he was the lifeguard there and dove in to save me :-) God bless him! May he Rest In Peace. My prayers are with his wife and family.
