“ Kelly I am so sorry to hear about your mom. I saw her at berkots one day and we talked for about an half hour about my mom, Hilda. I loved your mom and now my mom and yours are together again. Our mothers were the best Keohlers ever had as employees and of course union officals. The trips they took and the fun they had together are now being laughed in heaven.. Again my heart goes out to you and your family.

“ I have known Angie for over half my life. I met Angie when I was 21 years old at work for Riverside Resolve Center. She was the same today as she was yesterday, kind, hardworking, fun, loving, caring, compassionate... My list goes on and on of her beauty. Angie, was alot of fun. I remember so many jokes and pranks my husband and her used to play on eachother. Angie, You will be missed and loved for Eternity. I am grateful to have been included as your friend. I am so glad your pain and suffering has ended and you are in the arms of our Father in Heaven. Till we meet again, Ruth.

“ I've known Angie for 45 years, since I was 5 yrs old and went to kindergarten with her daughter Holly. I remember the little house they lived in off the alley of Oak Street. And the apartment on the east side of town (2nd street?). And the the lake house. Angie was one of the most positive people I've known. Despite health issues, she could always find something positive to talk about. I have many fond memories and am blessed to have known her. I know that she and Holly are together now. My warmest condolences and prayers are with Kelly, Andrew, Sue and other family members.
