“ You were always friendly and a very good and dedicated employee. Everyone knew who you were as you used the little box to step up at the production line to make your quality checks.

You will be missed very much by your family and friends.

Until we all meet again on the other side, know that your memory will be strong and your name mentioned in our minds each day. As we do this, you will be with us and your presence felt.

Rest in peace.##imported-begin##Doug & Judy Wilkins##imported-end##
