“ *Angelique was a nice, little bit silly girl. i½Kyle and Angelique were in the same grade. i½We met her when were making the flag pins, (maybe in the 4th grade at Bradley West) I think she was with her grandparents, we had a good time together making the pins. i½I feel very sorry for the family. i½It was very upsetting (I was shocked when my son told me , I had not seen the paper yet), i½such a young girl. I know she will be missed by all of her friends at Bradley Central and I know my son, Kyle, will miss her. i½i½i½##imported-begin##Kerry,Brenda & Kyle Taylor##imported-end##*

“ Hey Debbie! i know this is late but i just found the site. How are you doing? I hope you are doing better. I miss Angel so much it hurts! Not one day goes by where i don't think about her. I know that one day i will see her again, but one day seems like so far away. It broke my heart when she passed away. I just can't believe she's gone. And even though she actually isn't here her soul is and will always be in my heart till the day that i die. I will always have the wonderful memories that we have shared. I miss her and i love her, and you too. If you need to talk don't hesitate to call me, my number is 936-9221.

“ **Dear Debbie*
 I am very sorry for your loss. I know what it is like to lose someone who is very close to you. I wasn't the best of friends with Angel sometimes fought.....but she was a very sweet person and I will honor her around. She was a very sweet person and was always quick to lend to anyone in need. I was very shocked when I heard the news and I can't believe that something so horrible could happen to such a special person being able to solve our feud before it was too late. My thoughts and prayers are with you and if you ever need anything.....PLEASE DO NOT HESITATE TO ASK. I would love to help you in any way I can in your time of need. Just know that Angel is in a better place now where she will not hurt anymore. I know I can ease your pain right now...but in time it might.*
 Love

“ Its very sad that this day has come, I met angel through Rosa Lowery, and i wasnt her everyday hang around friend, but i knew her enuff to know she was a sweet girl, was nice, and was not ignorant. I myself am 18 and on my way to work i would often see her and her friends and wouold give them rides where they need to go, and always took safety precautions because of having then in my car. Angel, you will always be missed and remembered, God called to you, and now rest in peace, i guess not to many people got thier last chance to see you, and now to Angels mother i have not yet to meet you, but i would like a picture of her so i can draw her "in Memory" portrait and frame it to return to you so you may have with you. Im so sorry for your losses, and i cant express myself any more. ĩ ĵ ½ ĵ ĵ ½ ĵ ĵ ½ ĵ ĵ ½###imported-begin###Richard Willison###imported-end##
