“ We are very sorry for your loss. Our daughter, Abby, was in her preschool class at Bradley East 4-5 years ago. I always remember how she greeted all the children with a great smile and opened the door for them. Praying for you and sending you our sincerest sympathies. May you be comforted.

“ *Mark and Family,
Truly sorry to hear about Ann. I worked with Ann at Manco and what a great time that was. I'm sorry I wont be able to make it Saturday, but you will be on my mind for sure. I know the pain of losing a loved one, I just lost my mother 2 months ago and I know when Ann gets to heaven that Mom, Dad and Bruce will be there to greet her.*

“ *My sincere thoughts and condolences go out to Mark, Terry, Pat and to the family. I worked with Ann at Manco Manufacturing in Bradley back in the mid 1970s. She was always one of my favorites. Those were happy, carefree days back then and we had a lot of fun.*

“ *I'm sorry to hear about the loss of your wife Mark. I just heard about it this morning (9-10) via the BBCHS Class of 73 page. I never met your wife and I'm not really sure if you and I ever had any interaction at BBCHS. But I know the pain of losing a loved one. I pray that God be with you and all of your family during this time of grieving. He knows exactly what all of you need - far more than any of us mere humans do. I pray he will supply all needs and all of you will clearly see that he is doing so. Amen.*

“ *I will always remember her kind smiles, cheery voice and her ability to give the warmest of hugs. No matter how long it has been since I had last seen her, she was genuinely happy to catch up with her daughters friends lives. My thoughts and prayers go out mostly to her family and anyone, like myself, who will miss her hugs.*
