“ Dear Bob and Family - we were so sadden to hear of Anne's passing. ĩ½I am so sorry we could not be there today. ĩ½But I wanted to let you know I have such fond memories of you and Anne when I was a kid. ĩ½Whenever we would visit Chicago we would always come to your house. ĩ½You always made sure my brother Kevin and I had something fun to do. ĩ½I most remember you and Dad taking us to slides that seemed to me miles long and we went down them on some sort of mat. ĩ½We had many fun visits as kids at your home with you and Anne. Then you came to Atlanta several times. ĩ½It was always wonderful to spend time with both of you. ĩ½We will miss that and miss Anne. ĩ½Love to you and your family,

“ Lori & Family,

You are all in our thoughts and prayers just as you've been during these past weeks. ĩ½We wish we knew what to say to make things better but sometimes words just are not enough. ĩ½May your wonderful memories of your Mother and Grandmother give you comfort during this time.

In Christ,

“ My memories of Anne are varied. ¶½First of all was the wedding reception (our first meeting) later on there were quite a few times when Bob and Anne would entertain the teenage cousin (me) and my date. ¶½A wonderful memory is that we always had Mogen-David and Seven-UP a drink which in my eyes meant that Bob and Anne were treating my date and I as equals. I also remember the surprise when Bob was recalled for the Korean War. ¶½Don't know if Anne knew he was a reservist and she certainly was not happy when he left...As the years passed my meetings with them were very few and far between. The last time I saw Anne was in the summer of 2002, she and Bob came to my sisters in Winfield for a cousin get-together. ¶½Years had passed and things change but not Anne. She was a wonderful cousin by marriage.##imported-begin##Bill Parker##imported-end##
