“ *My mother was such a loving person. She had a real zest for life and seemed to find such joy in giving out hugs for one and all. She always had a smile on her face and a laugh in her heart. I will miss her always, but am at peace knowing that she is finally at peace, and with my dad in heaven! I love you, Mother.*

Amy--so sorry to hear about your Mother's passing. She was always a joy to be around. I enjoyed my "time" with your family--sleepovers, exchanging Nancy Drew books, and eating meals with the whole family in the smallest dining room in Kankakee. But who cared--she was a marvelous cook!

Imagine my surprise when she came to the funeral home when my Dad died in 2011 and offered her words of condolence and even recognized me--I've been gone from Kankakee for 47 yrs!

She will be missed, but forever in my heart.

“ *I was Annie's mailman for a number of years. It was not that long ago that i would encounter her walking briskly while doing my route. She always had a warm smile and kind words. She would make me laugh and would brighten my day the minute i saw her. She would send me on my way with a hug and an occasional kiss on the cheek. I will miss you , Annie! God bless you! So sorry for your loss,Ruthann and the rest of the Boule family.*

“ Our heart felt sympathy to the Boule family. Annie was a good friend and neighbor to the Dandelles family. But more than that she was a beautiful person and will be missed. I don't recall her ever saying a harsh word to me in all the times I played in your yard, swang on the family swing set or played basketball behind the garage. I sincerely hope our paths cross at some point in happier times.
