“ Roxan, My friend, I Can't even type the words that I feel for you and your family. Anthony and I had a different and wonderfully sweet

relationship. Some people could not start to understand,But you know. He was a kind and helpful person and has been there for us whenever we needed anything. Robert will miss him in ways that no one will ever know. I will always remember how we talked together and how he truly enjoyed the company of his friends. Myself and my family will be there for you and Alex for anything you need. I love you girl.

“ I probably met your husband when I was at Coldwell Banker, but that was some time ago. I see you about every 4/5 weeks to get a haircut. I see you I see about every 4/5 weeks to get a haircut. You have a great loss, and I want to extend my sincere sympathy to you. Your life will really change and you will have a tough time for a long time, but life does go on. I wish you the VERY BEST.
