Just read this today Jerry. Sitting here with my dad having a drink. I've been retired for nearly two years now and can not be anymore grateful for this time with him.

Thank you for being such a great friend.

“ We never personally knew anyone who worked harder for the rights of the innocent unborn than Ardele did. ĩ½Her persistence and dedication to the pro-life movement was admirable and inspirational. ĩ½We know that she will now be eternally blessed by God for her outstanding efforts in fighting the terrible injustice of abortion. ĩ½Ardele was kind and sweet and we will miss her very much. ĩ½
