“ Ardene, you are one of my true friends and a soul mate. I will forever remember you having hands so like my mom's. How we would laugh at that. You provided an anchor for me when I needed it the most while I was back there. Dragging me out to water aerobics and going on those walks - even after I broke my toe, you had me out checking out the neighborhood. You helped me so much, listening to me, providing me guidance and giving me encouragement to move on. And the hugs... you're a pro at providing those. How I miss you. See you at our Lord's table... “ I met Ardene in an aquatic exercise class at the YMCA. She was friendly and welcoming to this newcomer. She had a positive outlook on life and I admired her desire to keep physically active and contribute to her community.

“ My Mother, Lucille Miller, worked with Ardene at Bear Brand and later as Lucille Cousin with Les at GF. They were friends, neighbors and co-workers. She sends her sympathy.

“ Dear John, David, Carol and Joann,
How sad we were to hear of your mother's passing. It was always nice to see her and visit with her at family weddings and get togethers. Even saw her on the dance floor stepping out a time or two!! We were so amazed at her quilting talents, and the many beautiful quilts she made. What a special gift that was.. You and your families are in our thoughts and prayers.
*Sincerely,
Tom & Sally Sippel*

“ Dear Carol (and Joann, David, and John),
I am so sorry to hear of your mother's death. I wish I could be in Kankakee for her service. I will remember your mother's hearty laugh and her strength of character (and how nothing could get by her!). I remember going on vacation with your family and visiting your grandparents in Thawville; I remember how your mom taught us to play bridge in high school. It's hard to believe that such a vital person is gone. Please accept my condolences.
