“ *Ardie's genealogical work, especially in preserving and publishing church records of St. Anne and Beaverville, will go on helping researchers for years to come. I type her name often as author of various sources when I am researching area families. I offer you my sympathy and prayers for your peace and comfort as I remember Ardie - a special friend. *Vickie, Marla, Randy and to your families.
I was sorry to learn of Aunt Ardie's sudden death.
Mom learned about it from Aunt Ruth and shared the news with me before I talked to Aunt Carol.
We have had many fun times in our years on the farm and on the 4th of July. With the each loss of our parents it makes me sad that we will never have those times again.
Thinking about you this coming week. It is not an easy time as you know.
Love and sympathy... Peggy Cyrier Duick*
