“ Ardis is my cousin. Our grandparents had 50 grandchildren. I'm not sure, but I think Ardis may have been their first grandchild. I have memories of Ardis attending our annual family picnic, always smiling, saying "Hi" to everyone by name, and listening to the latest goings-on in our lives. I am sending my sympathy to my cousins Jane Ellen and Kathy. May Ardis enjoy the reuniting with her parents, brother Wayne, our grandparents, many aunts, uncles and cousins who have crossed over to be in the loving presense of God.
