“ As realtors with Speckman Realty in Watseka, both my husband and I have talked with Arlene many times through the years. We used the Assessor’s office many times and we were always please to have Arlene help us with our needs and searches. She was so pleasant and helpful and always bubbly! She will be sorely missed by many people as well as by her family. I’m proud to have known her and we extend our deepest sympathies.

“ Ray and family,
 I was sorry to hear of the passing of Arlene. I know how much she meant to each of you. This is to let you know that I am thinking of you at this time. I didn’t know that she had been ill, so it came as a shock to me. Nancy Dickenson said that she had been ill for only a short time.
 Remember that I am thinking of you at this time.
