“ Our deepest sympathy to all of you. You could really tell that our dads were twins they loved working in their gardens and were proud of them, and also loved sharing their vegetables & fruits with others. They are together now and taking care of Gods garden. May you find comfort in all the fond memories. All our love, Bruce & Lawanda Maierhofer

“ I have fond memories of Arnold, I appreciated his passion for gardening, love of cats and especially his love of our creator. To some he may have come across as a bit of a toughy but he was (is) a sweet, soft hearted fellow. I have known him for approximately 41 years. He raised some beautiful children and I am proud to call them my friends. Bill, Diane and Lisa I realize how difficult it is to have a loved one extracted from our existence. Please find some peace in the acknowledgement that we never cease to exist, we truly transcend into another dimension to continue existing with our creator. I know he is one of your Angels now. Peace and Love to you and yours!
