“ Ashley, you are going to missed dearly by so many. You were not only my neighbor growing up, you were my best friend. You were always there for me when I needed you. I know now that only the good die young, because you were one of the best. I'm going to miss your smile, contagious laugh, and advice...but most of all your friendship. I will cherish our memories forever.  
Please give my mom and dad a hug for me, Ash! I love and miss you so much.
