“ I remember Augustina's warm personality and smile even from years ago when I was friends with her daughter Angela in school. The years really go by and sometimes people lose touch but I remember that still . Her daughter Angela I recall is just as kind as her mother. What a great testament to the good mom she must have been to pass that on to her children. I'm so very sorry for the loss this family must be facing.

“ I met Tina over 16 year ago. We meet working together at Exel. We would eat lunch together everyday and talk about our ups and downs in our lives. The one thing that sticks out in my mind is how much she loved her children. She could always make you laugh and would do anything for the people she cared about. RIP my sweet friend

“ I met Tina working at Exel, and I did not like her at first. We butted heads alot. We finally had it out one day, and were great friends ever since. Tina was an amazing woman who loved her family more than anything else in the world. She would talk about them constantly. I have had the pleasure of knowing her family and I understand why. They are a wonderful bunch. I am so sorry for your loss, and although I now reside in Lexington, KY, I am a phone call away.

“ We became friends 15yrs ago, we were both single parents & had 5 kids, we bonded instantly when she came to my aid in 1999. I came to work crying because my daughter didn't want Rio wear her boots to school, cause they were "boy boots"(black), I had the whole office crying, cause it broke me. Later that night, her & Lil Tina, came to my house w/"Girl Boots"(pink) & a Barbi doll, & she's been my "bestie" every since. I had another daughter in August 2000, & Tina became her god mother. I love this woman. We been through a whole hell of alot. I'm blessed to have met you.
