“Ava was such a kind and wonderful person. I occasionally have thought's of the old neighborhood and the kid's I had played with. Ava (mostly) and all of her sister's always come to mind. My greatest memory was at the age of maybe 5 burning down their shed out back.

 I am so sorry for your loss Dusty and want you to know that if there is anything I can do to help all you have to do is ask it's o.k..

 Praying for all of you,

“ Ava's Family...I am overwhelmed with memories of growing up across the street from Ava. ĩ½I recall so many hours and days of playing with Ava and Mindy and loving every minute of it. ĩ½I recall the old house - and helping move out right before it was torn down...and the excitement when the new house was built. ĩ½I remember Ava's struggles with asthma - but it never stopped her smile and her sweet personality from shining. ĩ½My thoughts and prayers are with you today and as time goes by. ĩ½
