“ Lee, Vickie, Billy and family members, I appreciate how you entrusted Barbara's life with me for three months of friendship with her. She is now free of her pain. Her spirit will be with you daily as she worried and loved you all. Her smile was wonderful. My condolences. Mary Moran

“ Grandma I still can't believe you are gone. It only feel like yesterday we met for the first time. You took me in with open arms. We both want to say thank you for making Josh the man that he is today. Kayla and Landen said he will miss you and love you. He told me I will always be Grandma Bass's good boy. We will miss you. We will see you again when it is our time. Now speed your wings and fly. 🙏

“ I will always remember how much she loved her first grand child. How much time she spent with him. I got to speak with her a month before she passed away. I thanked her for all she did for me by helping me take care of Josh. After 34 years I still consider her my mom. And I am so grateful I that she was part of my life. Words cant express how much she meant to me. R.I.P
