“ *I worked with Barb at Riverside several years ago at Riverside (fifth medical). She was a great co-worker, an excellent aide, and a caring person that I considered to be my friend. I'm sorry to have lost track over the years (the picture is not how I remember her!). I will always remember the good times--loved the stories she would bring to work about the kids and about Jim. We worked hard, but had a lot of fun, too!*

*You are all so lucky to have had her in your life!*

“ Remember her as a very loving lady, who lived down the street, in Clifton. Her and her husband gave many years to being Scout leaders. They raised a very nice family, I'm sure she will be greatly missed.....
