“ We met Barb a few years ago when she came up to the northwoods of Wisconsin to visit her sister. She was such a down to earth & fun loving person. We instantly liked her & her bright smile! She had many visits up north & fun to see her & listen to her stories about her fishing day. She was up here this year & loved it so much. It's hard to believe that she won't be returning. All of us were so glad to get to know her & she will be missed.

*Rest In Peace, Barb & let your eternal light shine bright in heaven. Prayers, Love & heartfelt condolences to all of her family who will sorely miss her,
Duane & Mary Ann Wilkison*

“ I first knew Barb when I started baby sitting for her and Dan's children. Later Barb started coming to my beauty shop, we bonded immediately. Through the years Dan & Barb became one of my favorite couples. I have so many memories with them. My heart goes out to their loved ones.
